

Technology Start-up Support Scheme for Universities (TSSSU)
Request for Material Modifications to the Approved Budget

NOTES

1. Section A to Section C should be completed by the person-in-charge of the start-up funded under TSSSU. Section D should be completed by the respective university unit responsible for TSSSU.
2. Please read the relevant guidelines from the associated university before completing this form.
3. The information provided in this form will be used for processing the material modification request and related purposes by the Innovation and Technology Commission (ITC) and the associated university. It may be disclosed to other Government bureaux/departments, statutory bodies or third parties for the above said purposes or required by law. This submission denotes that the start-up concerned and the university unit responsible for TSSSU have given explicit consent to such disclosure.

SECTION A: Particulars of the Start-up

(To be completed by the person-in-charge of the start-up funded under TSSSU)

TSSSU reference no.	:	TSSSU/HKBU/23/06/3
Name of start-up	:	TadReamk Limited
Name of the associated university	:	Hong Kong Baptist University
Maximum amount of TSSSU funding approved	:	\$500,000
Reimbursable period	:	1 April 2025 – 31 March 2026

SECTION B: Modifications to the Latest Approved Budget

(To be completed by the person-in-charge of the funded start-up)

All fields below should be completed.

(a) Manpower

Post	New Expenditure item? (Tick if yes)	Latest Approved Entries (Please fill in N/A if the expenditure item is to be newly added into the budget)				Proposed Modifications				
		No. of Staff (A)	Duration (man-months) (B)	Monthly Rate or Equivalent (HK\$) (C)	Total (HK\$) (A)x(B)x(C)	No. of Staff (A)	Duration (man-months) (B)	Monthly Rate or Equivalent (HK\$) (C)	Total (HK\$) (A)x(B)x(C)	Justifications for the Proposed Modifications
Full stack developer	☐	1	3	21,730	65,190	1	3	21,730	65,190	No change
MPF to Full stack developer	☐	1	3	1,086.50	3,259.50	1	3	1,086.50	3,259.50	No change
Machine Learning Researcher	☐	1	7	18,000	126,000	1	4	18,000	72,000	With the more recent powerful AI tools streamlining our R&D manpower needs, our primary focus has shifted to marketing and revenue growth. To support this, we propose redirecting part of TSSSU resources toward equipment and marketing. We will sustain our R&D momentum by covering all minor research costs through alternative, non-TSSSU funding.
MPF to Machine Learning Researcher	☐	1	7	900	6,300	1	4	900	3,600	Same as above.
Part-time Business Development Manager	☐	1	12	9,600	115,200	1	12	9,600	115,200	No change.

MPF to Part-time Business Development Manager	☐	1	12	480	5,760	1	12	480	5,760	No change
Part-time AI Research and Development Intern	☒	N/A	N/A	N/A	N/A	1	4	8,512	34,048	Academic Qualification: Bachelor's degree holder or current undergraduate student pursuing a Bachelor's degree program Job Duties: Supporting product development and AI training data needs: collection, crawling, and analytics.
MPF to Part-time AI Research and Development Intern	☒	N/A	N/A	N/A	N/A	1	4	425.60	1,702.40	Same as above
Part-time Digital Graphic Designer	☒	N/A	N/A	N/A	N/A	1	4	3,000	12,000	Academic Qualification: Bachelor's degree holder Job Duties: To accommodate the rising needs for promotional activities by designing and producing digital assets for online and print channels including banners, posters, and social media visuals.
MPF to Part-time Digital Graphic Designer	☒	N/A	N/A	N/A	N/A	1	4	150	600	Same as above
Sub-total of Original Entries to be Modified					321,709.50	Sub-total of Modified Entries			313,359.90	

(b) Equipment

Equipment	New Expenditure item? (Tick if yes)	Latest Approved Entries (Please fill in N/A if the expenditure item is to be newly added into the budget)			Proposed Modifications			
		Quantity (A)	Unit Cost (HK\$) (B)	Total (HK\$) (A)x(B)	Quantity (A)	Unit Cost (HK\$) (B)	Total (HK\$) (A)x(B)	Justifications for the Proposed Modifications
Laptops for marketing	☐	2	15,000	30,000	1	12,999	12,999	After review, one laptop is considered sufficient. Resources re-allocated for computation and Rendering server.
Multi-core cluster server	☐	1	20,000	20,000	1	18,313.43	18,313.43	Minor change in actual expense.
Computation and Rendering Server	☒	N/A	N/A	N/A	1	49,000	49,000	This dual-purpose workstation addresses two critical research and marketing needs: (1) supporting the intensive demands of AI model training and (2) facilitating high-end marketing media production, including content creation, video rendering, and the development of innovative promotional assets.
Sub-total of Original Entries to be Modified				50,000	Sub-total of Modified Entries		80,312.43	

(c) Other Direct Costs

Item	New Expenditure item? (Tick if yes)	Latest Approved Entries (Please fill in N/A if the expenditure item is to be newly added into the budget)			Proposed Modifications			
		Quantity (A)	Unit Cost (HK\$) (B)	Total (HK\$) (A)x(B)	Quantity (A)	Unit Cost (HK\$) (B)	Total (HK\$) (A)x(B)	Justifications for the Proposed Modifications
Company Running Cost	☐	1	38,290.50	38,290.50	1	43,555.48	43,555.48	The cost for software licenses and web hosting and domain is more than expected. Services such as AI agent for coding, generation service for TadReamk Create project, video generation need for marketing and cloud web server + database + AI model hosting all requires additional cost. These services have been proven to be significantly boosting the company's productivity in development, marketing and operation.
Legal, audit, accounting, registration, mandatory insurance for employees, patent application and company secretary fee	☐	1	40,000	40,000	1	25,922.19	25,922.19	Cost reduced as patent application fee is decided to not be covered in the TSSSU-O expense.
Marketing and promotion	☐	1	50,000	50,000	1	36,850.00	36,850.00	Increased costs for marketing and promotion to better support various activities aimed at making our products more appealing to potential customers.
Sub-total of Original Entries to be Modified				128,290.50	Sub-total of Modified Entries		106,327.67	

(d) The modifications listed above (please tick the box as appropriate):

☐ have not been made

☒ have been made prior to seeking the university's approval because of the following reason(s):

Some changes were made due to urgency of stepping up development and purchasing equipment to meet the marketing needs.

and I/we consider that such modifications can facilitate the realisation of the business proposal in the following way(s):

Timely engagement of appropriate development resources and purchasing necessary equipment for marketing development.

SECTION C: Declaration

(To be completed by the person-in-charge of the funded start-up)

I/We hereby declare that all factual information provided in this change request as well as the accompanying information accurately reflects the status of affairs as at the date of submission.

Authorised Signature with Company Chop : _____

Name of Person-in-charge : _____ Prof XU, Yi Da

Name of Company : _____ TadReamk Limited

Date (dd/mm/yy) : _____

SECTION D: Approval by the University

(To be completed by the respective university unit responsible for TSSSU)

Please tick the appropriate box to indicate whether the university approves this change request.

- ☐ I/We approve this change request from **TadReamk Limited** and consider that the modifications in Section B above are reasonable, proportionate and proper.
- ☐ *(Note: Please tick this box if the start-up's explanation provided in Section B(d) above for not seeking prior approval is to the university's satisfaction.)* I/We are satisfied with the start-up's explanations for not seeking the university's prior approval for the modifications.
- ☐ I/We DO NOT approve this change request from *(name of the start-up)* _____.
(Note: In this case, this form needs not be provided to ITC.)
