AUDITORS' REPORT AND STATEMENT OF EXPENDITURE

Quality Control and Independence

Our firm applies Hong Kong Standard on Quality Management 1, which requires our firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We have complied with the independence and other ethical requirements of the Code of Ethics for Professional Accountants issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Basis of conclusion

We conducted our reasonable assurance engagement in accordance with the Hong Kong Standard on Assurance Engagements 3000 (Revised) "Assurance Engagements Other than Audits or Reviews of Historical Financial Information" issued by the HKICPA and the latest Notes for Auditors (i.e. Annex C to the TSSSU Guidelines) issued in August 2024 by ITC.

Our reasonable assurance engagement includes examination, on a test basis, of evidence relevant to TadReamk Limited's compliance with the requirements set by ITC (including the requirements to keep proper books and records and to prepare proper Statement of Expenditure) and all the terms and conditions of TSSSU funding, as specified in the documents mentioned in the above first paragraph. It also includes an assessment of the significant estimates and judgments made by TadReamk Limited in the preparation of the Statement of Expenditure, and of whether the accounting policies have followed the requirements of TSSSU, consistently applied and adequately disclosed.

We planned and performed our reasonable assurance engagement so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give our conclusion as to whether TadReamk Limited has complied with, in all material respects, the requirements set by ITC (including the requirements to keep proper books and records and to prepare proper Statement of Expenditure), and all the terms and conditions of TSSSU funding, as specified in the documents mentioned in the above first paragraph. In forming our conclusion, we also evaluated the overall adequacy of the presentation of information in the statement of expenditure plus relevant notes, if applicable. We believe that our reasonable assurance engagement provides a reasonable basis for our conclusion.
